Grants, awards and scholarship

1979–2013 During my student period I received grants from the Swedish Institute, Swedish Council for Planning and Coordination of Research, Swedish Board of Exports, Torsten and Ragnar Söderbergs Foundations and, finally, from Jan Wallander's Research Foundation (three years).

Since the early 1990s I have received research funding from The Foundation Siamon, Salén Research Foundation, Nordic Economic Research Council, Jacob Wallenberg Foundation, Marcus and Marianne Wallenbergs Foundation, Knut and Alice Wallenberg's foundation, The Swedish Council for Work Life Research, Swedish Agency for Innovation Systems (VINNOVA), Jan Wallander's Research Foundation, EU funds, The Bank of Sweden Tercentenary Foundation, The Swedish Agency for Economic and Regional Growth (Nutek) and the Nordic Innovation Center (NICE).

Altogether my research funding, excluding my student years and the funding of my chair at KTH Royal Institute of Technology, amounts to approximately 25 million kronor since mid 1990s. Major research funding for projects initiated by myself and involving researchers from a number of different institutions and countries has recently (2001, 2002 and 2006) been obtained from the Marianne and Marcus Wallenberg Foundation, Jan Wallander's Research Foundation, NICE and EU (Microdyn).
